

PAY \$0

FOR SPECIALTY MEDICATIONS WITH NEW BENEFIT

The Iron Workers District Council of Southern Ohio & Vicinity Benefit Trust is pleased to introduce the PrudentRx Copay Program. **Effective August 1, 2021, you will pay \$0 for covered specialty medications when you enroll in the program and fill the prescription at CVS Specialty® Pharmacy.**

This new partnership with PrudentRx saves you and the Benefit Trust money. There are over 400 specialty medications available today, and that number is rapidly growing. Because specialty medications typically cost hundreds and sometimes thousands of dollars each month, the Trust's long-term sustainability requires that we manage these costs. Currently less than 1% of plan participants take specialty medications; however, the cost of these medications make up almost half of the total prescription drug expense.

PrudentRx works with you if you're prescribed a specialty medication.

As part of the Trust's prescription plan with CVS Caremark, the PrudentRx Copay Program works with you and drug manufacturers to get copay card assistance for any specialty medications that are included on our Plan's Exclusive Specialty Drug List.* Once the program confirms that the manufacturer of your medication offers copay card assistance, the program manages enrollment and renewal for the copay cards on your behalf. Even if there is no copay card program for your medication, you, as a program participant, still pay nothing out of pocket to fill your prescription.

If you don't take a specialty medication today, there's no need to call.

If you are later prescribed a specialty medication, you'll be reminded to call PrudentRx at that time.

It's easy to enroll.

CVS Pharmacy has already provided your information to PrudentRx. **If you take a specialty medication, and you have not been contacted by PrudentRx before August 1, you need to complete your enrollment by calling 800-578-4403, Monday through Friday, from 8:00 a.m. to 8:00 p.m. ET.** Even if you already have a copay card or know that your medication does not have a copay card available, it's still important to speak with a PrudentRx Advocate.

A PrudentRx Advocate will also attempt to reach you by phone to confirm your enrollment. If you receive a message from PrudentRx, it's very important that you return the call.

* If the specialty drug you take is not included on the Exclusive Specialty Drug List, you will continue to pay a \$60 copay.

**Act now to pay \$0 out of pocket
for your specialty medications.**

Don't miss out on these savings.

You will be responsible for 30% of the cost of your specialty medication, if you:

- Do not speak with a PrudentRx Advocate,
- Choose to opt out of the program, or
- Don't enroll in the copay assistance program required by the manufacturer.

If you and/or your covered dependents take a specialty medication, complete your enrollment today.

Questions?

Call PrudentRx at **800-578-4403**,
Monday–Friday, 8:00 a.m. to 8:00 p.m. ET.
