

Pension Trust Summary of Material Modification

Date of Notification: August, 2021

To: All Pension Plan Participants

Please note the following Plan changes which have taken effect thus far in calendar year 2021.

Reciprocity Procedures Effective 1/1/2021

1. Plan Participants who travel outside of IWDC of SOV jurisdictional area – money follows the man.

In the event participants in the Trusts' benefit plans travel outside of the Trusts' jurisdictional area for work (referred to as the "Visited Local"), the Trusts adhere to the "money follows the man" principle.

The Trusts' Election Card to be completed by the participant will reflect that they must choose which of the funds are reciprocated back to the Trusts, if any.

In the event the contribution rate required to be paid to the Defined Benefit Pension plan of the Visited Local is lower than the contribution rate required to this Pension Trust, consistent with the Pension Trust's Plan document, the participant will receive Pension Credit based on the actual hours paid but will receive Vesting Credit based on the actual hours worked. For example, if the contribution rate for the Visited Local is ½ of what is required for the Pension Trust, and the participant works 1,500 hours in the calendar year via the Visited Local, he would receive one (1) Vesting Credit but only one-half (½) Pension Credit.

2. Travelers from other Locals including Members who Transferred out of IWDC of SOV jurisdictional area who travel into the IWDC of SOV jurisdictional area. With respect to those individuals who travel into the Trusts' jurisdictional area for work (referred to as "Travelers"), if contributions are received on the individual's behalf, pursuant to the Iron Workers International Reciprocity Agreement, the individual may request that those contributions made on his behalf be transferred to his home fund by completing a reciprocity card. The reciprocity card provides the Trust's direction on the funds that should be sent to the home fund. In the absence of a reciprocity card, all funds will remain here. This means that Travelers have the choice to reciprocate any or all funds back to their home fund. If a reciprocity card is not completed within one year of receipt of contributions, those funds cannot be transferred back to the home fund.

For those Travelers who previously established participation in any of the Trusts' plans, but who are no longer working within the Trusts' geographic area, the Trusts will not accept contributions on their behalf to any or all of the Trusts' plans. In this regard, effective January 1, 2021, the Trusts will no longer accept any contributions for work hours on and after January 1, 2021, for any Traveler who previously elected to have fringes contributed to all or any of the Trusts despite the fact they are no longer working in the Trusts' jurisdictional area. If contributions are received, they will be returned to sender.
