

## SUMMARY OF MATERIAL MODIFICATIONS

Date of Notification: April 2023

To: All Defined Benefit Pension Plan Participants of the Iron Workers District Council of Southern Ohio & Vicinity Pension Trust

This is a summary of recent material modifications relative to the Pension Fund. Please note that while there may have been other material modifications made during this period, to the extent you were previously notified of those changes we have not included them in this notice.

### Required Minimum Distributions

Consistent with a new law, the **SECURE Act 2.0**, the required beginning date for legally-required minimum distributions from the Plan was delayed for Participants turning age 72 after December 31, 2022 and age 73 before January 1, 2033. In such a case, the “Required Beginning Date” will be the April 1 of the calendar year following the later of the calendar year in which the Participant: (1) Reaches **age 73** (further increased to age 75 if the Participant attains age 74 after December 31, 2032) or, (2) ceases work in Covered Employment and retires (if the Participant elected to defer commencement of benefits).
